Best \$1 Garments

Every leading maker and importer of the United States is represented in this matchless collection of \$1.00 Garments. In the ordinary meaning they are not \$1.00 Garments. There's not one that is not superior. Paying the makers and importers more than usual for garments retailed at \$1.00, and linking orders for vast quantities, values are offered that are at once recognized vastly superior to the ordinary. While the pictures on this page give a fair idea of the styles, the materials, trimmings, and finish have to be seen. Seeing is believing. Have you seen?

\$1 Princess Slips

Fifteen different styles of these Princess Slips, the lines of which assure the classic grace the vogue of today demands.

Materials used are sheer India Linen and Nainsook, with lace and embroidery trimmings in keeping with the filmy fabrics of the garment.

Several styles are trimmed at the bottom, both with and without drop ruffle.

The perfection of fit, linked with superior finish, are added features, making these garments superlatively best at \$1.00.

The Prize \$1 Blouses and Waists

The illustrations cannot depict the quality of the laces and embroidery trimmings—nor the perfect finish. They can and do prove the styles the latest and best, exact reproductions of the very much more expensive garments. For proof—take elevator to third floor and compare these \$1.00 waists with the imported here at various prices to \$15.00.

House Dresses, \$1

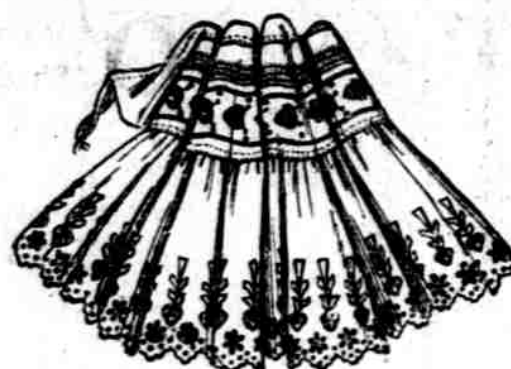

The lingerie is known—its reputation is already made. Not so with the new House Dresses, two of which are pictured. Yes—high-neck styles are also here. Take elevator to third floor—and learn of \$1.00 Dresses refreshingly unlike the usual stereotyped styles.

Learn, too, that there are types for milady somewhat petite, as well as the more than usually developed. Were Wash Dresses for as little as \$1.00 ever given such consideration?

The Prize Lingerie at \$1.00

But few pictured here—there are 52 styles of combination garments, linking corset cover with skirt or drawers, some joined with beading run with ribbon, others without waist line. No less than 82 styles of gowns, many with slashed sleeves. The skirts, 49 styles, are glove fitting at the hips. Materials are Flaxon, Nainsook, Cambric, and Longcloth. Trimmings of laces and embroideries, guaranteed not to fray or tear with repeated washing.
